Puppy Love Was In the Air at the Valentine's Social at Generation Dog!

February 20, 2008 (Birmingham): The days of having to stay home on Valentine's Day because your true love has four legs and barks are over! Dogs of all shapes and sizes accompanied their human friends to the "Puppy Love" Valentine's Day Social held on Valentine's Day at Generation Dog boutique in Homewood. The event was sponsored by Generation Dog, Birmingham Magazine, SoHo Sweets and It's Just Lunch, the premier dating service for busy professionals. In addition to bringing together dogs and those who love them, the event was also designed to raise funds for the Greater Birmingham Humane Society. Couples and singles alike enjoyed great food – including sweets from SoHo Sweets in Homewood – and delicious "Puppy Love" Punch. Highlights of the event included taking pictures with a Valentine's Day themed backdrop and taking home a fabulous swag bag that included lots of great treats for dogs, as well as a free subscription to Birmingham Magazine and discounts toward membership at It's Just Lunch.
